Qualification Overview

The Level 1 Award in Fire Safety Awareness is a qualification aimed at all staff, particularly new starters in any workplace, where a basic understanding of fire safety is required.

Learners gaining this qualification will know that fire safety is the responsibility of everyone in the workplace with recognition of the contribution they may have to prevent the starting and spread of fires.

Entry Guidance

There are no prerequisites for this qualification.

It is advised that learners have a minimum of Level 1 in literacy or numeracy or equivalent.

This qualification is approved for delivery to the age ranges Pre-16, 16-18 and 19+.

Geographical Coverage

This qualification is suitable for learners in England, Wales or Northern Ireland.

Special Needs

HABC have measures in place for learners with special needs. Please see the Reasonable Adjustments Policy, Annex 17 of the HABC Core Manual.

Qualification Structure

This qualification is made up of one mandatory unit, the details of which are included at the end of this document.

Learners must successfully complete the assessment for the unit to achieve the qualification.

This qualification can be taken as a free standing qualification or as part of a wider programme of training.

How the qualification is assessed

This qualification is assessed through a 15-question multiple-choice question examination. The duration of the examination is 30 minutes.

Successful learners must achieve a score of at least 10 out of 15.

Following the assessment, a list of results will be provided to the Centre Contacts stating whether learners have passed or failed. Certificates for those who are successful will be dispatched for distribution by the Centre Contacts.

Progression

Progression and further learning routes include:

- HABC Level 2 Award in Fire Safety
 - Level 3 Award in Fire Risk Assessment
-

Nominated Tutor Requirements

HABC require that Nominated Tutors have teaching experience and hold a qualification in the relevant subject area.

Suitable subject area qualifications/experience may include:

- A verifiable history as a Local Authority Fire Officer supported with appropriate training.
- A recognised Fire Safety qualification together with relevant work experience in the subject area.
- A level 3 Health and Safety Qualification, or equivalent, plus attendance on a HABC CPD event “Fire Safety Train the Trainer”.
